

TUTTI FRATELLI STORY

ITALIAN RESTAURANT

Seafood, Pasta, Veal, Chicken, Steak and Eggplant

This was a running Italian Restaurant and Gambling Casino, nestled on an Island in Italy, called "Sicity".

Tutti Fratelli was known back in 1940's as a "Hammer Head" and it was a very famous Family Restaurant.

My GodFather and my father then moved to South America in Brazil.

After W.W. II he married this lady that was British and Brazilian; her name is "Elizabeth White", my Father was Remi Fiorino Araujo and my GodFather was "Antonio Zuccini Collioni", long story short. I came to USA in florida and started cooking what my GodFather had shown me, how to make: Delicious dishes with fresh native seafood, gourmet salads, veal, lamb, succulent steaks, pork chop and chicken. I want to thank all these people who have visited and enjoyed Tutti Fratelli's exquisite cuisine and we hope you will too.
